## ALPACA SECTION

### Conditions of Entry

The General Regulations of The Wodonga Show Society appearing in this Schedule form part of these AAA Ltd approved conditions of entry. In the event of any inconsistency between the General Regulations and the AAA Ltd conditions, the General Regulations shall prevail to the extent of the inconsistency *unless the General Regulations provide otherwise*.

This show will be conducted under the Rules of the AAA Ltd as set out in the current AAA Ltd Showing Rules Manual. Please Note, there have been some changes to the AAA Ltd Showing Rules Manual, and as an exhibitor, it is advised that you familiarise yourself with these changes prior to attending.

All Exhibitors must read the conditions (1-5) on the entry form and ensure that they can comply with those conditions before signing the entry form. A separate health declaration will be provided for signature and return with the entry form. Failure to sign the entry form or Health Declaration Form will render all alpacas of an exhibitor ineligible to be exhibited. Please note that only the registered owner of an exhibit, or his/her authorised agent may sign an entry form. The registered owner of an exhibit must be a financial member of AAA Ltd.

**Period of Exhibition** - Alpacas must be penned **by Saturday 18<sup>th</sup> March 2017 at 8.00am** and may not be removed from the Showgrounds **until 4.30pm or when judging is completed; whichever is the later.**

**Preparation of Exhibits and Cleanliness of Stalls** - Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock throughout the show. Exhibitors must provide their own feed, and feed and water containers.

**Advertising** - Promotional material is permitted within the bounds of the standard pen of 1.5 metres and no higher than 1.2 metres measured from the floor. For sale signs are not permitted. Display/promotional alpacas are not permitted. Ribbons won at any other previous show are not permitted.

A handler shall be deemed incorrectly attired if his/her dress or the animal led displays any information capable of being construed as advertising for any stud. Paid commercial exhibits are an exception to the above.

**Inspection of Exhibits** - All alpacas must be registered with the Australian Alpaca Association Inc. and carry an approved brass tag showing the alpaca's IAR number. No wether may have any visible genetic faults or visible physical disfigurement. No animal shall be eligible for exhibition if it is not entire (except for wethers). All genitalia shall be complete, properly formed and proportioned for normal reproduction.

The Convenor, with the consultation of the show Committee of a Show conducted under Association Rules, shall appoint a person, or persons as a qualified inspector, or inspectors who shall inspect all alpacas for genetic faults, colour class and IAR number and visible physical disfigurement.

*NOTE: If there is no IAR tag present in the ear of an animal exhibit, official Association confirmation either in hard copy or electronically must be provided by the owner to the Chief Steward that the ear tag has been recently lost and that a new tag has been ordered and paid for. Failure to present such advice at inspection will result in disqualification of the animal.*

The Inspector or Chief Steward will classify all entries for age, sex and colour and has the power to transfer an exhibit to the class which, in his/her opinion, it should have been entered. The Chief Steward will combine or split classes as he/she sees fit.

Animals arriving Friday evening can request inspection on arrival. The inspection of all other alpacas will commence from 7.00am on Saturday 18th March 2017.

Alpacas not in their allocated pens and available for inspection at the official time may be disqualified by the Chief Steward. Exhibitors must be in attendance at the time of inspection and will be required to assist. **All huacaya alpacas must carry a minimum fleece length of 30mm and a maximum length not exceeding 60mm**, measured at the mid side. **The minimum fleece length for suris is 50mm** and maximum fleece length will be assessed by the judge. Exhibits shall not have fleece of a different colour to that of the blanket removed from an animal to a level below that of the blanket fleece. Any alpaca found to have lice infestation must be removed from the showgrounds immediately along with any other alpacas present that belong to the same exhibitor.

**Exhibitors Meeting** – The Chief Steward will hold a meeting of exhibitors **at 9.00am** in the judging ring to be briefed on show procedures. Judging will commence immediately at the conclusion of the meeting.

**Judging** - Judging will commence promptly after the exhibitors meeting at 9.00am on Saturday 18<sup>th</sup> March, Suri's will be judged first, Huacaya Fancies and Wethers will be judged after the Suri classes are completed and before the Junior Huacaya Females. The Judge's decision shall be final. He/she may choose not to award a prize or prizes in a class. A handler/exhibitor may not discuss with the Judge their alpacas or proposed exhibits prior to, or during the Show judging. All handlers leading stock in the judging ring or parade shall wear a white coat over long trousers or long skirts, with clean dress shoes or boots. The Chief Steward may disqualify an exhibitor for incorrect attire of the handler. All handlers showing animals must be competent in the handling of their exhibit, or removal from the ring may be requested by the Judge. It is recommended that small children not exhibit large animals that they cannot control. All exhibitors shall, on the day of the Show, obtain their pen position and animal exhibit card numbers from the Shed Steward. The animal exhibit number card of the exhibit must be worn and clearly displayed by the handler whilst in the show ring. The age of the alpaca and the age of fleece, in months, will be displayed on the card. All exhibitors must place their animals in the pens allotted by the Show Stewards and must not be moved or removed except by order of the Chief Steward.

**Age of Alpaca** – Alpacas must be entered into the correct class for their age (ie. Age in full months, on the day of the show unless otherwise specified)

### Fleeces

All fleeces being exhibited (including wether fleeces) must be from alpacas registered on the IAR and be the bona fide property of the exhibitor. All exhibitors must be AAA Ltd. financial members. Only one fleece that has been shorn in the 18 months prior to the Show may be shown from any one animal. It is recommended that fleeces be placed in bags, made of satin or similar material, or heavy duty plastic. Plastic garbage bags should be avoided.

Exhibitors, when submitting fleeces at the Show, must attach to the fleece the identification slip supplied (no names). Fleeces are to be lodged with the Fleece Steward at the showgrounds **by 8.00am Saturday 18<sup>th</sup> March 2017. Judging commences at 9.00am.**
