Subject: Fwd: Wodonga Show October newsletter
Date: Wednesday, 23 October 2024 1:57:20 PM

Hope this newsletter finds you all well

Following on from our last newsletter I am pleased to announce that our revamped website is now up and running and you can find all the latest news in regards to next years show as well as the show society itself
This includes

- the attractions we have already secured for next years show
- stall holders which is being regularly updated as we receive applications
- details and entry forms for the CWA cattle and decorate a chook competitions
- acknowledgment of all our sponsors
- newly added page detailing the history of the Wodonga Show which we are continuing to develop

and can be found at wodongashow.org.au

In other news the show committee will be hosting a Bunnings BBQ on the 10th November at the homemaker centre in Wodonga with the aim to not only raise some funds for the show but to also promote sponsorship and "friends of" support packages so drop by grab a sausage and say hi :)

We continue to work on trying to gain additional sponsorship for the show so that we can build on providing even more free attractions and make it a family affordable community event we can all be proud of so please help us spread the word amongst your friends and family and local business owners

All feedback gratefully accepted

Only 144 days to go till show time!

Kind Regards

Diana Johnston
