

## **Wodonga Show Society January 2025 Newsletter**

Hi, all sponsors and supporters of the Wodonga Show 2025

With only 53 days to go until show time the excitement is building as we are busy working on some final details including the layout of all the attractions.

The program and all the competition schedules are up and available on our website as well as a list of the many attractions and our invaluable sponsors and you can check them out at the link below

[wodongashow.org.au](http://wodongashow.org.au) - Berlin

With lots of regular attractions being joined by some new ones including Toys and Fizzics Interactive Science Toys and Liquid Nitrogen Show, The Flying Fruit Fly Circus, Bear Foot the Monster Truck and the return of some old favourites like the woodchopping, cattle and poultry plus some local organisations coming along to entertain the crowd, the 2025 show is shaping up to be a great day for the whole family

This year the equestrian event will be held on the following Saturday 22nd on the Bob Pritchard Oval to allow easier access to the community to be able to view this competition so lock that date in your diary as well

We are now starting to ramp up the marketing so look out for the posters as they start to appear around town as well as on the APCO West Wodonga GoBoard (Thank you!) so if you can help us spread the word and if you have anywhere you could display the posters please do not hesitate to contact me and I can drop them off

Any questions please do not hesitate to get in contact with me

Kind Regards

Diana Johnston  
Secretary Wodonga Show Society
